

YOUR **WHAT-IF** PLAN™

Dear Friends,

Our company is on a mission to make sure you are ready for an emergency. 93% of the U.S. population is unprepared! This checklist is our gift to you. If you would like help pulling this together, call us! We are experts in Life Documents Organizing (paper and digital) and we are here for you.

Emergency “Grab & Go” Checklist

- Select your “Grab & Go” system.** It should be portable, durable, waterproof/water-resistant and fireproof/fire-resistant.
- Decide where to store your Grab & Go box/bag.** The location should be secure yet easily accessible and **known to all trusted persons**. Once you take it with you keep it with you and do not leave it unattended!
- Make a list** of all of the things you need to take with you that cannot fit in a Grab & Go box/bag or which are in a Safe deposit Box or other location (put this list in your Grab & Go box/bag).
- Include the following** contents in your “Grab & Go” box/bag:
 - A summary of your **evacuation plan and plan for communicating** and meeting up with family/friends.
 - **Important contacts**
- Cash** for one week of living expenses, including change for tolls. Traveler's checks may be a good option.
- Medical information:** copies of all health, dental and prescription information, including Medicare/Medicaid
- Insurance Information:** list of all insurance company names, contacts and policies.
- Financial Information:** all banks, accounts, etc.

YOUR **WHAT-IF** PLAN™

- Lists of Important Information:** such as location of safe deposit box; combination to safe(s); computer usernames and passwords.
- Originals/Copies of Important Documents** certificates of birth, marriage, adoption, divorce, military service, death, etc.; identification; estate plan; proofs of ownership; tax returns; home inventory
- Photographs:** negatives or flash drive of special photographs.
- Jewelry and other small treasures**
- Flash drive** information scanned on it

All the best,

Nancy
